# Sunday Parlay High Hands

## Official Rules & Regulations

- The promotion runs January 7 through January 28, 2018.
- Players must have a Marquee Rewards<sup>®</sup> Card and be rated and play in a promo eligible cash game in the Poker Room to qualify.
- The Promotional Period will be 12:00PM – 12:00AM every Sunday in January.
- A countdown timer will be displayed in the room with 30-minutes for each promotional period. Once the countdown timer reaches zero (0), the players with the highest hands of the promotional period will receive the designated prize. In the event a hand is completed and a supervisor is called to verify the hand before the timer reaches zero (0), the hand will qualify for the current promotional period. In the event the supervisor is called after the timer reaches zero (0), and there is a subsequent promotional period the hand will be considered the starting high hand of the new promotional period.
- Winners are declared and payments made at the conclusion of each 30 minute period during the promotional period. The first payment will be 30 minutes after the start of the promotion period.
- At or about 5 minutes before 4:00PM, 8:00PM and 12:00AM, the Poker Supervisor or above will announce for all players to make sure they are checked in. A Poker Supervisor or above will then initiate the Bravo Player Tracking System's automatic, random seat selector. Once the random selection is complete, the winner's name and seat will display on the Bravo screen at the Poker Podium. The winning players will qualify for the next "Cold Hand" as explained below. Cold Hands will take place at 4:00PM, 8:00PM, and 12:00AM.
- The previous 8 high hands winners as well as the 2 random seat winners will play a "Cold Hand" and the winner of that hand will receive \$2,000.
- Players must play their hands independently. If any player, whether directly or indirectly involved in the hand, passes information or instructs another on how to act or reveals their hand to other players, the promotion will be disqualified for that table.
- Must be present at the conclusion of the promotional period in which the high hand was made to win. Players will have 3 minutes to claim the prize.
- Only the highest hand of the half hour will be eligible to win the prize for the half hour. If the patron that had made the highest hand of the half hour has left or no hand was made during that half hour, the prize would roll over to the next half hour. Prizes will not roll over from one promotion day to the next.
- Cold Table must be played down to a single winner. If a hand were to tie, those players will play another hand with no betting rounds until a single winner is determined. Players may not chop the Cold Table cash prize.
- The Cold Table will be seated at the times listed above. Players that do not arrive for their Cold Seat will still receive a hand that will be immediately folded and ineligible to win.
- The first hand of a full house or higher made by any player at an eligible table with a minimum of a \$20 pot will be posted as the initial high hand of the promotion.
- A player must use both cards from his/her hand and win the hand to qualify.
- A list will be kept by a Poker Supervisor to record the current high hand of the promotional period, as well as the name, table, and seat number of the player with the highest current hand for that promotional period.
- Any time a qualifying high hand is made; the dealer will announce "high hand" and alert the Poker Supervisor that a hand higher than the current hand listed on the sheet has been made.
- Simultaneous ties will result in an even split of the prize money. Simultaneous ties will both earn a seat at the "Cold Hand" table.
- A Poker Supervisor or above will verify the hand visually and then add it to the list as the current high hand for the promotional period, crossing off the previous high hand.
- A Promotion Log will be kept for this promotion, which will include all times within the promotional period, for every day of the promotion.
- All payouts for this promotion will come from the Poker Room's Promotional Fund
- In the event that the Poker Room Promotional Fund does not have sufficient funds to cover the costs of this promotion, Hollywood Casino Columbus will provide the necessary funds.
- Any dispute or situation not covered by the official rules will be resolved by the Hollywood Casino Columbus poker management in a manner deemed by them to be the fairest to all concerned.
