**ADDITIONAL LEVELS WILL BE ADDED AS NEEDED.**

1. Tournament Format: : Players start with 10,000 in tournament chips (7,000 starting stack + optional 3,000 chip dealer add-on)  
a) There will be a 10-minute break for every (6) 20-minute levels

2. Tournament Guarantee: This tournament has a guaranteed prize pool of \$10,000, not including money allocated to the Administration Fee or Dealer Add-on. If the tournament does not draw enough players to reach the guaranteed amount, money will be added from the Promotional Fund, to reach the guaranteed prize pool amount. If this source has been depleted and the guarantee is still not met, Hollywood Casino Columbus will make up the difference.

3. Re-buy: Players that are at or below the 10,000-starting chip amount can rebuy an unlimited number of times during the first (9) levels at the table.

a) Any player who has not taken a hand by the close registration may be considered a "no-show" and may have their chips removed from play and may not be eligible to participate and may not be eligible for a refund.

b) For \$50, each player will receive 10,000 in chips. Players can rebuy when they are at, or below their starting stack (10K Chips). A player can also rebuy if they have no chips left but must be immediately, or they are eliminated from the tournament.

c) At the end of the entry period (level 9 + break), players will be offered a 1-time add-on of 20,000 chips for \$50 (\$40 to prize pool + \$5 Admin Fee + \$5 to staff)

4. Prize Structure: : This is a Prize Pool tournament. The prize structure will be based upon the number of players entered in the tournament at the end of the re-entry period.

**Must be 21 years or older. Gambling Problem? Call 1-800-589-9966 for help.**
