General Rules

1. **Players:** Must be 21 or older to play and have a valid ID and a PennPlay or MyChoice Card to enter. There are no refunds.
2. **Disputes:** or situations not covered by the official rules will be resolved by Hollywood Casino management in a manner deemed by them to be the fairest to all concerned.
3. **Limit of Players:** Minimum of 20 entries and a maximum of 300 entries plus 300 late entries and alternates for a total of 600 entries per flight will be allowed until the end of the re-entry period.
4. **Tournament Revenue:** Hollywood Casino Columbus will charge an administration fee for all tournaments. The fee schedule for each event will be posted. Total administration fee collected each event will be recorded in the “Bravo Tournament Report” to be submitted to Finance and the Commission.
5. **Tournament Fees:** At their own discretion, each player may provide a separate and optional posted gratuity only to allowable Hollywood Casino Columbus Staff consistent with Commission regulation. The Entry Fee for any such player electing not to provide the optional posted gratuity shall have an increased Administrative Fee of \$350. The Entry Fee for any Male playing in the Ladies Only event will also be \$350.
6. **Tournament Guarantee:** If the tournament does not draw enough players to reach the guaranteed amount, money will be added from (A) the Leaderboard Fund, followed by (B) the Poker Players Promotional Fund, to reach the guaranteed prize pool amount. If these sources have been depleted and the guarantee is still not met, Hollywood Casino Columbus will make up the difference.
7. **Re-entry Tournaments:** Allows players to buy back into the tournament event once they have been eliminated and their original chips exhausted. Re-entry players will be treated as a new player, with a standard starting stack of chips.
8. **Forfeit of Stack:** Players can forfeit their stack while on break during the re-entry period. The tournament director will remove the forfeited stack from play and the player can now re-enter the tournament as a new player. All original fees apply.
9. **Determining Winners:** Winners will be determined based on the order they are eliminated from the tournament. A player is eliminated when they no longer have chips remaining.
10. **Seat assignments:** Players will either draw random seat assignments manually or the seat assignments will be randomly drawn by computer when the player registers for the event. A maximum of 10 players will be allowed per table.
11. **Tournament chips:** Non-value tournament chips will be given equally and will only be given to each player who registers for the event by exchanging the entry and administrative fee for the purchase of the chips. Quantity will vary for each event. Limits and blinds are raised on an equal time basis throughout the event.
12. **Tournament Chip Storage:** At the conclusion of this tournament, all tournament chips will be reconciled through the “Poker Tournament Chip Log” and a chip discrepancy report will be filed if necessary. Tournament chips will be kept in the Player’s Services Cage and will be transported to and from the Poker Room (or Tournament Area in the case of approved special events) by means of a secured rolling cart for such purpose.
13. **Pot Chopping:** Players may chop the prize pool if all players agree. If this occurs, it will be documented on the payout schedule with the corrected amount won and all taxes will be withheld accordingly. But if any patron begins a discussion concerning tax avoidance, this will immediately void the ability to chop the pot. Players may not voluntarily chop the prize pool until after the conclusion of the re-entry period.
14. **Tournament Cancellation:** If a tournament must be changed or cancelled, it will be posted as well as announced in the Poker Room. OCCC must be notified of all such changes or cancellations and why they were necessary. Any monies paid by players for the tournament will be entirely refunded.
15. **Tournament Rules:** *For more details, see Official HCC Tournament Rules, HWCCK205.*

Each player buy-in has a portion assigned to the prize pool (\$110) to be paid out by percentage (*See Exhibit A - CSC Payout Structure*) and a (\$50) player's bounty to be paid out based on how many bounties are collected. Each player, at their tournament seat, will receive a “Bounty Plaque” from the Dealer. The Bounty Plaque is simply a square plastic plaque that has the word, “Bounty,” engraved in it. When a player is eliminated from the tournament, their bounty plaque goes to the player that won the main pot in the hand in which they were eliminated. A player may accumulate multiple bounty plaques by eliminating multiple players but would only give up their original plaque when they are eliminated.
